Sponsorship Form

BarCamp is an international network of user generated conferences — open, participatory workshop-events, whose content is provided by participants — often focusing on early-stage web applications, and related open source technologies, social protocols, open data formats, and new media.

This will be the first time BarCamp takes place in Philadelphia. Given the interest in BarCamp, however, we expect a large amount, at least 150 to 200 people, to participate.

Why sponsor BarCamp Philadelphia?
1. Support the local technology and media community
2. Help promote Philadelphia as a hub of creativity and innovation
3. Publicize your company.
4. Advertise to local developers and potential employees
5. Be a part of history as we kick off BarCamp in Philadelphia, PA!

Sponsorship Options

The following two options are available for cash sponsorships. If you are interested in an exclusive sponsorship please contact barcampphilly@gmail.com with an offer.
